# Midland G10

*Portable PMR Transceiver*

**Cod. C1107**

Midland **G10** is the new portable transceiver operating on the PMR band.

Essential in its functionalities but with reliable performances, G10 is the ideal solution for those who want a basic device while still keeping the top quality of Midland radios.

Small and with a compact design, this radio is easy to use and provides clear communications with your partners.

Midland G10 is **programmable** through the optional programming software **PRG10**, that allows to set and to easily manage the functions keys and further features.

The peculiarity of this device consists on its versatility and **ease of use**: the knob beside the antenna allows you to easily select the desired channel and the available features can be achieved by the user friendly function keys.

With its 16 channels, 51 CTCSS tones and 83 DCS codes G10 is the ideal and effective solution in working and leisure situations that demand reliable communications.

**IN CONFORMITY WITH CE/99/05**

**COLOUR:** black

**What's in the box:**

- G10 transceiver with belt clip
- 1200mAh Li-ion rechargeable battery pack
- wall adaptor
- desktop charger
- quick guide

**Main features**

- PMR Transceiver
- 16 channels
- VHF 136-174 MHz
- Output power:  $\leq 5W$
- Channel spacing: 12.5KHz
- 51 CTCSS tones and 83 DCS codes
- Température de service  $-30^{\circ}C / +60^{\circ}C$
- Température de stockage  $-40^{\circ}C / +85^{\circ}C$
- Choc thermique conforme à la norme MIL-STD
- Humidité conforme à la norme MIL-STD
- Humidité conforme à la norme MIL-STD ESD IEC 61000-4-2 niveau 3
- Intrusion de poussière et d'eau IEC60529 - IP54
- Test d'emballage conforme à la norme MIL-STD
- Scan
- Monitor
- Vocal tuning
- Roger beep
- Auto battery save
- Squelch
- Weight: 192gr (battery included)
- Dimensions: 100×58×33mm (antenna excluded)

**OPTIONAL ACCESSORIES:**

- **PRG10** Programming software - cod. C974.01.
- Compatible with all Midland accessories **2PIN Kenwood**.

All specifications are subject to change without notice.
